THE WHITE HOUSE WASHINGTON

July 24, 2021

I send warm greetings to all those gathered for the 2021 United States International Kuo Shu Championship Tournament in Hunt Valley, Maryland.

For the past year, the COVID-19 pandemic has uprooted our way of life. After a long year of training in living rooms, garages, and public parks, this year's gathering demonstrates not only your skills in Kuo Shu but also the strength of the Kuo Shu community. Your dedication to the ancient martial arts is a testament to your discipline, your determination, and your strength.

The U.S. International Kuo Shu Championship Tournament not only builds character and physical fitness but also a foundation for friendship beyond borders, unity beyond differences, and harmony across cultures. This spirited competition reflects one of the finest combinations of athletics and honor.

I wish you all the best in this 32nd annual tournament.

FROM THE USKSF PRESIDENT

On behalf of the United States Kuo Shu Federation (USKSF), I extend a warm welcome to all of you attending the 2021 US International Kuo Shu Championship Tournament. This event, sanctioned by The World Kuo Shu Federation, sponsored by the United States Kuo Shu Federation (USKSF), and co-sponsored by the International Contact Weapon Sport Federation (ICWSF), follows a year of unprecedented challenges for people on a worldwide scale. As we come together once again for a weekend of Kuo Shu, it is a testament to our resolve and fortitude as martial artists, friends, and an extended family. I am happy and grateful to see everyone together for this memorable event.

For almost 50 years, I have been promoting traditional Chinese martial arts, and it has been my pleasure to travel extensively throughout Asia, the Americas, and Europe. I am pleased to be able to continue promoting Kuo Shu and its benefits throughout the world by hosting activities such as this event at which competitors will challenge themselves to earn a spot on the United States National Team to compete in the 7th World Kuo Championship Tournament. We have been honored with a Presidential Message from the White House since 1994. I would also like to express my gratitude to the U.S. Congressman, and U.S. Senator, for their citations and greetings this year, as well as Maryland Governor Larry Hogan's declaration of this week as "U.S. International Kuo Shu Week." As a Federation, we sincerely appreciate your recognition and support.

Finally, my heartfelt thanks go to all of you: international teams, competitors, referees, judges, volunteers, and spectators, for your steadfast support for over thirty years. Without your valuable contributions, this tournament could not be a success. It is because of your dedication to this competition that we can continue to provide the highest quality Kuo Shu tournament possible. I wish you all the best of luck and thank you for your continued support in promoting peace and friendship through Kuo Shu.

Sincerely,

tocky

FROM THE USKSF TOURNAMENT GENERAL MANAGER

美國國術總會 United States Kuo Shu Federation

USKSF Tournament General Manager: Master Michael Huang

WELCOME!

On behalf of the USKSF, we would like to thank you for attending this year's event. We know that you have many choices and could have easily chosen to stay home or to have made travel plans elsewhere. We look forward to spending this weekend with you, our extended Kung Fu family!

As we head into our 32nd annual tournament, it's important to take a moment to reflect and give thanks to those who paved the way for us. Specifically, I would like to acknowledge the lives and legacies of Grandmaster Chang, Fu Chen, and Master Joseph Dunphy. We are so grateful for the impact they made on our society and the organization. May God bless their souls.

GIVING THANKS

Grandmaster Chang and Master Dunphy had a significant impact on me growing up. They were my Kung Fu family. Like me, many of you are here today because a Shi Fu, instructor(s), and classmates have made a major impact in your life. In this culture of traditional martial arts, we know that our Shi Fu is not just teaching us forms -- they're a father/mother figure, best friend, counselor/guide, support system, cheerleader, and more. Simply put, they help us to become better versions of ourselves. They teach us to develop life skills that go beyond the school's walls. Let's always be sure to take a moment to thank them for everything they do for us.

THE TRUE ESSENCE OF KUNG FU

My teacher and father, Grandmaster Huang, Chien-Liang, has been promoting Chinese martial arts for as long as I can remember. As a child, I always thought that our Kung Fu school and annual tournaments were one and the same. When I realized that the school and the USKSF were two separate organizations, I wondered why we spent so much time on the USKSF. I eventually asked my father, and he responded, "no one person is greater than the system, and no system is greater than the whole." In this case, he was referring to Chinese martial arts. It took me a while to truly understand what my father was saying.

The true essence of Kung Fu is hard work and being able to pay it forward.

Kung Fu is a living series of methods and lessons passed down from mouth to ear and from teacher to student. For every Shi Fu, their students are their legacy. Many of the volunteers you see at the tournament help year-round because of their association with Grandmaster Huang. They willingly volunteer their time to promote Kuo Shu. Many of these volunteers have full-time jobs, family obligations, help teach at their respective schools, and dedicate the remaining time throughout the year to make this tournament possible.

This event wouldn't be possible without them or you. Thank you again for making this tournament so special. We truly appreciate your support.

Respectfully,

Michael Huang USKSF Tournament General Manager

WELCOME TO KUO SHU

The following 10 pages include a history of Kuo Shu and the USKSF, selected biographies, and lists of officials for the United States Kuo Shu Federation.

WHAT IS KUO SHU?

In 1928, the Nationalist government of China established a Central Martial Arts Academy called the Chung Yang Kuo Shu Kuan. This Academy, in Nanking, China, was created to promote the health and improve the strength of the people. The name "Kuo Shu" literally means "national art" and recognizes the unique cultural nature of Chinese martial arts. Some of the best martial artists in China attended this exclusive school, as teachers or students. The academy operated in mainland China between 1928 and 1947, closing due to the civil war.

Today, when using the word Kuo Shu, it is synonymous with traditional Chinese martial arts, especially including self-defense and fighting. In the US today, Kuo Shu is also identified with a particular type of full-contact fighting contest. Kuo Shu fighting is derived from an old Chinese tradition of constructing a raised platform (a "Lei Tai") and challenging anyone to step forward and fight. Contests were conducted on a Lei Tai and did not include protective gear, rounds, or weight limits. Recently, more emphasis has been placed on the safety of the competitors.

After the civil war in 1955, Taiwan reintroduced the traditional Kuo Shu Lei Tai full-contact fighting contests. In 1975, the Kuo Shu Federation of Taiwan, ROC sponsored the first World Kuo Shu Championship Tournament in Tainan City, Taiwan. In 1978, the Chinese Kuo Shu Worldwide Promotion Association, of which Grandmaster Huang, Chien-Liang was one of the founding members, was formed. In 1986, the name was changed to the International Chinese Kuo Shu Federation (ICKF). In 1988, Grandmaster Huang sponsored his first Kuo Shu tournament including full-contact fighting in the United States. In 1991, he re-introduced the Lei Tai and created a standard 24 x 24-foot platform, raised 2-4 feet off the ground, without boxing style ropes.

In 2002, Grandmaster Huang founded The World Kuo Shu Federation (TWKSF) to continue to promote traditional Kuo Shu and its physical, mental, and ethical benefits, globally. The Federation is currently supported by over 80 different organizations, continues to provide International Referee Training, and has also established an International Kuo Shu ranking system to recognize achievements of Chinese martial artists worldwide. The World Kuo Shu Federation sanctioned the 6th World Championship Tournament in Maryland, United States.

THE UNITED STATES KUO SHU FEDERATION

Kuo Shu, translated literally as "national art," is part of Chinese cultural heritage promoting both a healthy body and a strong moral character. The United States Chinese Kuoshu Federation (USCKF), a non-profit organization, began sponsoring high quality martial arts tournaments in 1991. In 2006, the name was changed to the United States Kuo Shu Federation (USKSF). Kuo Shu, also known as "Kung Fu," is the trademark of traditional Chinese Wu Shu (martial arts), and promotes friendship, unity, physical fitness, harmony, martial ethics, and peace around the world. In this age of both mental and physical wellness, the organization continues to grow, because Kuo Shu continues to appeal to individuals of all ages and cultures.

The Board of Directors of the USKSF represents martial arts organizations from around the United States. Through this national network, the international standards for judge, referee, and instructor certifications have been established, and a new ranking system was developed as well. As a member of The World Kuo Shu Federation, the USKSF ensures all standards are comparable in both organizations.

In the western hemisphere, the USKSF participates in the Pan-American Kuo Shu Federation, which holds tournaments throughout the Americas each year. These include the First Americas Cup International Kuo Shu Championship Tournament held in 1991, and the U.S. International Kuo Shu Championship Tournaments for the years 1994, 1996, 1998, and 2000 through 2018. The year 2000 marked a significant step forward for the USKSF when it established the Kuo Shu Hall of Fame (KHOF) as the cornerstone of the annual banquet which culminates each tournament. The KHOF is the USKSF's most prestigious award because it recognizes individuals for a lifetime dedicated to promoting Kuo Shu and martial ethics. The KHOF nominee must obtain two thirds of the votes of the KHOF Committee in order to be inducted. Additionally, the USKSF confers awards for competitors and a judge of the year, and also recognizes Kuo Shu contributors who help provide special support to the federation at the KHOF banquet. The USKSF marked the momentous 30th anniversary of its prestigious US International Kuo Shu Championship Tournament in 2018 with special Tien Shan Pai demonstrations, renowned lion dance teams, and a host of dignitaries who attended the opening ceremonies of this elite competition.

The growth of Kuo Shu in this region and worldwide would not have been possible without the efforts of Grandmaster Huang, Chien-Liang. He has devoted his professional life to Kuo Shu since his arrival in the United States in 1973. He founded, and is currently President of the USKSF, and also founded and is the Chairman of The World Kuo Shu Federation. He promotes and supports the study of Kuo Shu and martial ethics by conducting seminars worldwide, and has worked tirelessly to elevate the standards of Kuo Shu instruction, demonstrations, and competitions. This dedication to the organization has been demonstrated by the expansion of the organization from an initial USKSF tournament of 102 competitors to approximately 500 international participants who now travel to the United States to compete annually. Grandmaster Huang's commitment to humanity extends beyond the martial arts arena. He has organized demonstrations in order to raise funds for St. Jude's Children's Research Hospital, and victims of September 11th, among others, to accumulate over \$7,000 in donations. In April 2008, the USKSF sponsored a charity demonstration to celebrate Grandmaster Huang's 35 years of instruction in the U.S. and raised over \$4,000 for the Baltimore Children's Home. In honor of this event, several government officials sent their congratulations and good wishes, including former Baltimore City Mayor Sheila Dixon, who proclaimed April 26, 2008 "Grandmaster Huang, Chien-Liang's 35th Anniversary of Martial Arts Instruction in the U.S. Day" and former Baltimore County Executive James T. Smith, Jr., who proclaimed April 26, 2008 "Grandmaster Huang, Chien-Liang Day." Former Mayor Sheila Dixon stated "...based on his tireless efforts promoting Chinese martial arts within the local community and the world we are proud to honor Grandmaster Huang on this special day...." Grandmaster Huang continued this tradition on his 40th anniversary of teaching Kuo Shu in the United States by hosting another charity demonstration. This special event raised over \$6,000 for the local "Sparks of Change" charity established in memory of Huang's late student, Daniel Siegel.

Recognition for Kuo Shu and this annual tournament is unprecedented in the history of Chinese martial arts in the United States. In addition to proclamations from such well-known local leaders such as former Governor Martin O'Malley, and former Governor Robert Ehrlich, Maryland State Senator Andrew Harris has participated in the tournament's Opening Ceremonies. In addition, since 1994, the White House has consistently sent an official representative to the tournament's opening ceremonies. This clearly demonstrates the impact this form of martial arts has continued to make in this country and throughout the world.

Former Baltimore City Mayor Sheila Dixon said "...based on his tireless efforts promoting Chinese martial arts within the local community and the world we are proud to honor Grandmaster Huang on this special day...." THE LEGEND OF TIEN SHAN PAI

Tien Shan Pai Kung Fu originated in Xinjiang Province (新疆省) in Northwestern China. Legend has it that it was practiced by monks who lived in a temple nestled among the snow-capped peaks of the Tien Shan (天山) mountains. As the story goes, a young herdsman who was searching for lost animals wandered too far from home. The grasslands he knew so well suddenly looked unfamiliar and he realized he was lost. Noticing an old monk with a long white beard approaching nearby, the boy stopped him and asked for directions. When he returned to his village, the boy told his mother about the old monk. She replied he had met "Tien Shan Lao Ren" (天山老人), a monk who was noted for his martial arts skills. The mother encouraged her son to find the monk and learn his Kung Fu secret.

The young boy set out to find the old monk. His quest carried him deep into the mountains. He searched for mile after mile, but could not find the old monk. At the point of physical exhaustion, the young boy stopped at a nearby stream to quench his thirst. While kneeling by the stream, he saw the reflection of a beautiful temple nestled in a snow-capped mountain. Sensing he was close, the young boy hastened onward.

After a long trek into the mountains, the boy finally arrived at the temple. However, his hopes were dashed when the monk refused to accept him as a disciple. They were not permitted to teach outsiders, the monk explained. But instead of going home as they suggested, the boy knelt in the snow outside the temple doors, refusing to leave until the old monk would agree to teach him. On the second morning, he was discovered lying unconscious from the cold and was taken into the temple.

Seeing his determination, the old monk reconsidered. Tien Shan Lao Ren decided to teach the boy, whom he nicknamed "Hong Yun" (紅雲), or "Red Cloud," because of the mist that rose from his bleeding knees when he was discovered outside of the temple. He stayed in the temple until he grew to manhood, and when he left, he eagerly passed on his skill to other dedicated students. Hong Yun Zu Shi (紅雲祖師), as the first to teach the monks martial artistry to the outside world, is regarded as the founder of Tien Shan Pai (天山派).

KUO SHU LEI TAI RULES (FULL CONTACT FIGHTING) 擂台規則

1. Competitors will fight on a 24 square foot, two and one half foot high Lei Tai.

2. Competitors must use headgear, gloves, and mouthpiece. Male competitors must also use a groin cup. Female competitors may wear a chest protector and/or a groin cup. Shoes are optional. Soft compression braces for the ankle and/or knee are permitted, as long as such braces do not have any hard plastic or metal parts. Use of optional equipment by one competitor does not oblige their opponent to use the same optional equipment. No jewelry (earrings, rings, necklaces) is permitted during competition. All equipment must be reviewed and cleared with Lei Tai officials. Equipment standards are listed in greater detail on TWKSF website (www.twksf.org).

3. Elimination matches will be rounds of 1 1/2 minutes each, with a 30 second break between rounds. The final matches (1st, 2nd, 3rd and 4th places) in each division will have 2 minute rounds, with a 45 second break between rounds. Matches where the loser takes 3rd place and the winner advances to fight for 1st or 2nd place are deemed elimination matches, and will have the appropriate length for round and break.

4. The victor of each match must win two out of three rounds on point basis, or win by Knockout (KO), Technical Knockout (TKO) or opponent's forfeit.

5. SCORING

One point techniques

- · Competitor executes clear punch, palm strike or kick to a legal target area
- Competitor executes clear elbow/knee technique without holding
- Competitor executes a throw causing the opponent to fall and landing on top of the opponent covering the opponent's torso
- Through own error, contestant loses balance and touches ground: 1 point for opponent

Two point techniques

- Contestant executes clear punch or kick that knocks opponent down
- Without falling, contestant successfully throws opponent to the ground

Three point techniques

- Contestant forces or throws opponent off Lei Tai
- Legal techniques, but not scoring
- Strikes to the leg below the knee and to the arms are legal, but not scoring.
- Elbow and knee techniques executed while holding are legal, but not scoring.

6. Only techniques which are delivered with full power, resulting in trembling shock to the opponent, will be scored.

7. Scoring areas include side, top and front of head; front and side of the torso; back (but not the spine or kidney); outer thigh (when the foot is 'grounded – in contact with the area' and not used in a blocking motion).

8. ILLEGAL TARGET AREAS AND TECHNIQUES

- Contact to the eyes, throat, back of the head, spine, kidneys, joints, inner thigh and groin are illegal.
- Techniques using the head are illegal.
- Techniques intended to control the joints (qin na) are not permitted.
- Techniques where the competitor puts one or more hands or knees on the platform are not permitted (i.e. "iron broom" sweep).

9. FOULS AND PENALTIES FOR FOULS

- Fouls (for example -- strikes to illegal target areas):
 - First violation: 1 point deduction
 - Second violation: 3 point deduction
 - Third violation: disqualification

• Technical Fouls (for example – continuing to engage after Executive Referee calls stop):

First violation: warning

Second violation: 1 point deduction

Third violation: disqualification

• Technical fouls include, but are not limited to, violations of the rules such as grabbing and holding the opponent's headgear, grabbing and holding the opponent's shirt, not disengaging after the Executive Referee has called halt to action, disrespectful conduct toward Executive Referee or opponent, etc.

• Any serious foul will be grounds for immediate disqualification.

• Fouls are cumulative during the match.

KUO SHU LEI TAI RULES (FULL CONTACT FIGHTING) 擂台規則

10. If a competitor is forced or thrown off the Lei Tai three times in one round – while their opponent remains on the Lei Tai -- then the competitor loses the match.

11. If a competitor is struck three times in one round with sufficient force that they fall to the ground, then the competitor loses the match.

12. If both competitors are holding and striking -- without attempting a throw -- the Executive Referee will separate them after three seconds. If the competitors are attempting a throw while holding the Executive Referee will separate them after five seconds.

13. If there is no engagement within a 10 second period of time, the referee will warn both fighters and re-start them at their respective lines. If there is another period of no engagement within a 10 second period of time, both fighters will be disqualified.

14. If competitors are called by the Executive Referee to their starting lines, they have ten seconds to respond. A competitor who does not return to their starting line within ten seconds will forfeit the match. Examples: competitors are required to return to the starting line at the beginning of each round, at the end of each round, when struck or thrown to the ground, and when forced or thrown off the Lei Tai.

15. Competitors who maliciously hurt their opponents will be held liable for any damages or injuries. The Executive Referee has full authority to stop the fight at any time for safety or any other reason.

16. If a competitor appears to be injured, or requiring medical assistance, the Executive Referee may call a break (time out) in the match and summon the tournament's medical staff to the Lei Tai platform. During the break, the clock for the match will be paused. If the injury was sustained during legal contact, then the medical staff will have two minutes to resolve the issue. If the injury cannot be adequately addressed within two minutes, then the injured competitor will forfeit the match. If the competitor suffers the same injury during the match due to legal contact, the competitor will be disqualified. For example, if one competitor suffers a bloody nose, the medical staff may attempt to stop the bleeding within the allocated medical time out; if the same competitor again suffers a bloody nose during the same match, then that competitor will be disqualified.

If the injury was the result of illegal contact (foul), then the medical staff will be permitted five minutes to resolve the injury. If the injured competitor cannot continue after a five minute period, then their opponent will be disqualified.

At no time during a medical time out should either competitor's corners approach or interact with the competitors.

17. If there is an equipment issue (for example: broken headgear, lost shoe, torn pants or shirt), the Executive Referee may call a break (time out) in the match and attempt to resolve the issue. During the break, the clock for the match will be paused. Competitors – working with the Executive Referee – will have two minutes to resolve the equipment issue. If the equipment issue cannot be adequately addressed within two minutes, then the competitor with deficient equipment will forfeit the match. Competitors should bring spare equipment (headgear, pants, etc.) to their corner in the event of equipment damage. Lei Tai administrative staff will have extra blue and yellow shirts available for the competitors.

At no time during an equipment time out should either competitor's corners approach or interact with the competitor.

18. Each competitor must have one coach, but no more than two coaches, in their corner during the match. Coaches are only permitted to interact with a competitor when the competitor is in their corner. If there is a medical issue, the Executive Referee and medical staff will address the issue with the competitor and advise the coach. If there is an equipment issue, the Executive Referee will assist with the resolution of the issue.

19. Any coach disputing the results of a match and wishing to have arbitration of a match for any reason must notify the chief referee verbally within 15 minutes of the match. The team coach must then file a written request for arbitration along with a \$300 arbitration fee to the Tournament Director within 30 minutes of the match. If the arbitration is settled in favor of the arbitrating team, the coach shall receive a refund of the arbitration fee; otherwise, no refund will be given.

FORM SCORING CRITERIA 拳術評分標準

Quality of Techniques (3 points)

1. Quality of hands, legs, stance, and movement

Deduct a minimum of 0.05 points for each mistake. If the competitor makes the same mistake more than once, deduct no more than a total of 0.2 points for that error.

2. Degree of difficulty

Form difficulty should be appropriate for the skill level of the competitor (for example, a sufficiently complicated and demanding form for advanced level competitors). Though this is a subjective area, deductions should begin at 0.05 and should not exceed 0.3 for an inappropriately simple form.

3. Skill

To evaluate this area, place the competitor in one of three categories: above average, average, or below average. If their performance is above average, then deduct 0.05 to 0.2 points from their total score. If they show average skill ability, then deduct from 0.2 to 0.4 points. Finally, if their performance is below average skill level, deduct from 0.4 to 0.6 points.

Strength (3 points)

1. Smoothness of force

Again, place the competitor's strength level into one of three categories: above average, average, or below average. Deduct points accordingly. Above Average 0.05 to 0.2: Average 0.2 to 0.4: Below Average 0.4 to 0.6.

2. Balance

Use the same categorization as in "Smoothness of force".

3. Coordination among hands, eyes, body, and step.
